DELPH-IN 2021 Social

July 22

Host: Olga Zamaraeva

Opening remarks

- Social component very important in DELPH-IN
- **Usually:** half of one day is social activities followed by a banquet
- **Usually:** daily lunches and dinners
- **This year:** One plenary session dedicated to social!
- ...and it's a Trivia game!
 - **Goal:** *Guess which Participant submitted which Fun Fact about themselves!*

Disclaimers

- Definitions of “fun” differ!
 - I take no responsibility for whether others find the presented facts funny 😊
- Some facts are probably true about more than one person
 - But the “correct” answer is who submitted the fact 😊
- Only those participants who sent me Fun Facts are included as “options”
- Not fair to newcomers... So, come again! 😊

Procedure I

- On your **phone**, access PollEverywhere activity (link on next slide):
 - Should not require an account or anything like that
 - But, do make sure to **enter your name**, otherwise it's less fun to look at the results
 - If you accidentally skipped entering your name, you can **update** it
 - Right now the poll is locked; once I start it, you'll need to **refresh browser**

Procedure II

- I will present Fun Facts, and you will **choose**, via the phone, **whose fact it is**
 - 20 seconds for each question guess!
 - 3-4 options for each fact, to choose from
 - Some people have more than one Fun Fact! (So, **elimination won't work**)
 - Then the correct answer is revealed
 - ...followed by a **leaderboard!**
 - Speed does matter!
- **Unmute** and **jump in** as much as possible
 - E.g. with a story related to your fact, after it was guessed or with anything! Even **just to laugh!**
 - (But we will probably **get bad echo** if we **all** unmute at the same time)
 - Tip: using **headphones** helps with echo!

-
- The activity will take maybe 60-90 minutes?
 - After we decide we had enough fun here:
 - Continue having unstructured fun in gathertown
 - Then session 2 commences as usual at 16:00 UTC

Time... to.. WIN!
